Docket No.: 7:01-CR00001-001  
Recommendation for Early Termination

**TO:** The Honorable James C. Fox  
Senior U.S. District Judge

The above-captioned defendant appeared before Your Honor on December 11, 2001, for sentencing after pleading guilty to Conspiracy to Possess With Intent to Distribute and Distribute Cocaine Base, and Distribution of Cocaine Base, in violation of 21 U.S.C. §§ 846 and 841(a)(1). She was sentenced to 78 months in the custody of the Bureau of Prisons, followed by a 5-year term of supervised release. The court imposed special conditions of warrantless searches, vocational training, a special assessment of \$200, and restitution of \$1,700.

Faison was released from custody on June 8, 2007, at which time the term of supervised release commenced.

The defendant is single and lives in Warsaw, North Carolina, with her children. She is attending Sampson County Community College to further her education. There have been no new criminal charges since the onset of supervision, and all surprise urine screens have proven negative for illegal substances. The court indebtedness has been satisfied.

Inasmuch as the defendant has satisfied the conditions of supervision and has successfully completed 38 of the original 60 months of supervised release, we are recommending that she be terminated from supervision. The U.S. Attorney's Office was consulted and voiced no objection to the proposal.

If you concur, please sign the enclosed Probation Form 35 and forward to the Clerk of Court for filing. I remain available to respond to any questions you may have.
